

Speed Up Purchase Request Approvals

ePurchase Control is developed as an optional add-on for Sage 300 to expedite the purchase approval process by allowing users to easily manage the organisation's budget, gain a comprehensive overview of all purchases, and file all supporting documents digitally for easy reference.

➤ 5 Simple Steps To Simpler, Faster Purchase Request Approvals

➤ Features

- ✓ Automatically route requests with different purchase values to respective approving officers
- ✓ Alerts when purchase request value exceeds predetermined budget
- ✓ Automatic email notifications and reminders for pending purchase request approvals
- ✓ Comprehensive overview of all approved/outstanding purchase requests

Note: ePurchase Control is only compatible with Sage 300 2012 version and above.
